*"In a world of so much contrived music Delphia is the real deal. I cannot recommend her highly enough."*

-Mark Willsher, associate music producer  
 'Lord of the Rings'

*"I'm telling you, she is awesome. You have to go hear her."*

- Steven Michael Quezada, actor 'Breaking Bad'

*"The next international sensation! Whatever you do - go see her now, before she starts playing the huge venues her talent warrants. Heed!"*

- Mitch Tillison, photographer

The break-out EP 'Moonlight,' produced by four-time Grammy award winning producer Larry Klein, marks Delphia's triumphant return to the stage after enduring a traumatic decade of silence.

*A flair for bringing intimacy on the grandest scale. Delphia delivers relatable sentiments with her story of trauma and triumph, set to the soundtrack of her sixties inspired, yet fresh and modern songwriting. An infusion of infectious soul, pop and blues that will leave the listener emotionally invested.*

Backed by her ensemble 'The Deltones,' (drum, bass, Hammond Organ, and saxophone,) Delphia is one of the leading Soul-inspired Pop A/C singer songwriters on tour today, able to fill a room with her commanding voice and a piano. Depending on the dictates of your budget, we can orchestrate a show as grand as your venue permits, accomodating string and brass sections to enhance an already spectacular tapestry of soulful sound. We also provide financial incentives\*\* and opportunities\* to maximize your revenue.

Working with clients such as the New Mexico Philharmonic, the National Dance Institute, and Celebrity Enterprises, our combined experience in the music industry is measured by decades of touring, performing, and booking. Don't let the new name and fresh face fool you; Delphia delivers a winning product, show after show, year after year.

\*As an IMTour Roster artist, if your 501(c)(3) resides in a WESTAF member state, you are already eligible to receive up to \$2500 in grant funds from the National Endowment for the Arts when you book Delphia.

\*\*Ask about our Casino Special: Delphia and her Deltones will meet and greet your patrons on the gambling floor after the concert to ensure your venue collects maximum receipts.
